REPORT OF LIBRARY TRUSTEES

Again we submit our annual report of the transactions of the previous year. This year new shelves have been added to the library. These shelves have been needed for several years and were built along the south wall of the library, under the windows and will be used mostly for children's books.

We thank all who have donated books and magazines. A complete file of Geographic magazines for several years back have been given. We also thank all those who have taken an interest in the distribution of books in town.

Please note the large number of books in circulation the past year—4267. A small increase over that of 1936.

We trust it will be still more the coming year.

We feel that in order to purchase desirable books, the town should appropriate at least $100.00 yearly, (an increase of $45.00 over the present appropriation).

Many of the books now in circulation are worn and will soon have to be discarded.

Books have been distributed to the schools in town, loaned through our library, by the State Library at Concord.

REPORT OF SCHOOL BOARD

To the Inhabitants of the School District of Dunbarton:

The School Board herewith submits its annual report for the year 1937.

Few repairs were made on the school buildings this past year. The Montalona school was painted inside and some minor repairs made. Several large trees in the school yard were removed as many of the limbs were dead and concern was felt for the safety of the children. A steel flagpole was placed in the triangle near the Centre School.

Since some of our pupils attend Manchester High Schools it might be of interest to you to know that as soon as a child is enrolled in Manchester High School tuition must be paid one half year in advance. Regardless of the duration of attendance no rebate is made unless the child enters high school in another city or town. If a child drops out shortly after the beginning of the second semester, which is February first, tuition must be paid for the full year.

Each school is very fortunate in being able to procure from the State Library a Circulating Library, consisting of twenty five fiction and non-fiction books, which may be kept three months.

This year the Supervisory Union held its annual meeting at Dunbarton Centre School, May eigtheenth. Mr. Tarney was reelected Superintendent for another year.

An Institute for teachers of rural schools was held at the Town Hall in Dunbarton, November first, with an attendance of more than a hundred from various towns in this southern

section of the state. Miss Phila Griffin from the State Department was in charge of the program. Talks were given by four teachers. Dr. Dunn from Columbia University, New York, spoke on "The Value of Oral Language". "Diagnostic and Remedial Work for Slow Learning Pupils" was the subject presented by Mrs. Carl of Newton, Mass., Supt. Lloyd Young of Berlin gave an address.

An expression of thanks was extended to Gardiner Mills who decorated the hall so attractively for the Teachers' Institute and for Graduation.

Respectfully submitted,

EVA A. TUCKER,
MARY I. STONE,
WESTON P. LORD,

School Board.

HEALTH SUPERVISION

Last fall it was arranged to have all pupils given a physical examination. Dr. Dearborn, of Goffstown, visited all schools with Miss Walker, the school nurse, examining every pupil and noting tonsils, adenoids, teeth, lungs, heart, and the general physical condition of the child. Records are kept for each pupil. As is customary, the nurse communicates with the parents regarding treatment or remedial measures. While suggestions are not always followed, yet, that part of it is up to the parents. The nurse is always ready to cooperate in whatever may be for the good of the pupil.

In October one of the Teachers' Institutes, directed by Miss Phila Griffin of the State Department of Education, was held at the town hall in Dunbarton. Approximately one hundred teachers from nearby towns were in attendance. Lunch was served by the ladies.

The attendance last year by schools in the following order was:

South Dunbarton	96.9
Center Grammar	96.2
Center Primary	95.7
Montalona	95.5

This is a very good record. The State average was 94.7 per cent.

For the cooperation of the members of the School Board, teachers, and to all, who directly or indirectly work to enrich the opportunities for the young people of the town, I express my sincere appreciation.

Respectfully submitted,

J. BYRON TARNEY,
Superintendent of Schools
